

Quality Policy Statement

LECA S.L., a company dedicated to the design, manufacture, installation, marketing, repair and post-sale of products for the automation of industrial processes, with the aim of offering a quality product and the best possible service to our customers, establishes the following declaration and commitments:

- Apply the Quality policy to all areas of the Company, taking the appropriate corrective and improvement measures aimed at solving any deviation and allowing us to continuously improve the Quality System.
- Make all the efforts within our reach to ensure a high level of quality of the product and the service offered, through internal control of the processes, constant improvement, the required technological renewal, the cooperation and dedication of our staff, the collaboration of our suppliers and compliance with legal and regulatory requirements applicable to our activity.
- Make all possible efforts to ensure a high degree of customer satisfaction regarding our product and service offered both face-to-face and by telephone.

The Management of **LECA S.L.** guarantees that the Quality System will have your full support in the start-up and maintenance, and will also be strictly applied.
